DR. FRASK'S MAGNETIC CINTMENT. MR. WINTERS had lost nearly all of his hair and A sorror Mr. Warren, of this town, 14 years of age, had been afflicted with the Asthma from his cradle. He had the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of the boost approvided cases I ever saw; he was emaciated al-most to a skeleton. By the use of a few bottles of the Oin-ment he was the county general, and for seven months past has enjoyed robust health.

ment he was the complety correct, and for seven months past has enjoyed robust health.

This was an extreme case of inflammation of the spleen, of long standing; has a variety of treatment from no less than eight different physicians, without receiving benefit—was cured by the use of only fair bottles of the Magnetic Ontment. This was four months ago and the lady (a Mrs. Dunham), is still in good health, and able to attend to her usual tous-choid duties. Thave treated two cases of Chronic Sore Fase with the Ointment, both of the patients so nearly beard, as to need an altendant to lead them from place to place. One of them had been afflicted 18 years, the other about 9 years. They had tried the best physicians in the State, without hencell; and one of them had been under the treatment of the celebrated Dr. Muzzy, of Cincinnati, for eighteen months, and had expended hundreds of dollars in varn afforts to effect a cure. They are now by use of the Magnetic Ointment, heavy or quite cured; and are able to read and attend to any ordinary besiness. I have used the Ointment in a number of cases of Piles, and in no case has it failed of circuit immediate relief and generally a permanent cure. I have insured it be beneficially in severe cases of Erysipelas. And liest but not locat, I have within the bist year cured four cases of CANCLER by the use of the Magnetic Ointment hand. cured four cases of UANCER by the use of the Magnetic
